Scholarship:

Three people applied for the scholarship. Brooke Abram, Breann Riffell, and Evangeline Colarossi. Brooke Abram and Breann Riffell were awarded the scholarship. It was also decided that we will make a check-in sheet for a board member to sign people in and out when they what to help so that we can keep better track of who helps with events.

Funday:

Friends Church will not be able to do breakfast. We will ask Hebrews if they can be open for breakfast and then close for the lunch, so that the lunch stand in the park will do well. Dana is going to ask the PTCO at Lakeside if they would bring over their cotton candy machine and give away cotton candy for a few hours. Community Club will donate \$150 to them for their time. The Methodist Church will be doing ice cream in the park at 3. Hebrews will be doing their tie-dye shirts from 1-3. Alica will get in touch with the company for the bounce house and price their options. Dan Zahourek will be doing the meat for the BBQ. If anyone would like to help volunteer to help pull the meat or help with the meal please contact a member of the Community Club. Sarah and Tom Depew will be selling food during the dance. When setting up for the day, we would like the Chili Cook-off teams to stay on the west side of the square. We will be selling old t-shirts for a discounted price as we have a surplus left from previous years.

City Wide Garage Sale is May 20th

8 people have sent their info to Cindy. Cindy will print the maps to hang around town and have them in the Cawker, Downs, and Trader papers.

At the next meeting we will discuss the Poker Run.

Alica adjourned.
