

Glen Elder Community Club Meeting

## **January 15, 2018**

The Glen Elder Community Club Meeting met January 15, 2018, at the Glen Elder Haven Community room at 5:30. Present were Andrea Eberle, Dana Clausen, Cindy Clausen, Denise Jackson, Alice Thompson, Scott Jordan, and Trevor

Dana Clausen called the meeting to order.  
Cindy motioned to approve the Treasurer's Report.

Donations have been coming in for the Holiday Workshop. Alice has some items from Heart Choices that she might be able to donate. Donated items can be taken to Cunningham's Telephone office.

Cindy spoke with Rich Miller from the Friends Church about donating money to the youth group for snack food. Cindy motioned to donate \$250 to the church for snack funds. Denise seconded. All present were in favor and Denise would be writing and delivering the check to the church.

Scholarship:

The group read over the scholarship letter. We will not be having a committee specifically for the scholarship this year but will decide as a group. The letter will be available for pickup at the high school counselor's office, city hall, and Cunningham's office. Dana is going to make a link to put online so they can print off the letter themselves.

Membership letters are coming back with due payments. We will be preparing the Easter Hunt eggs for delivery at the next meeting.

Scott Jordan works at the Park and filled us in on the projects going on out there. They are revamping the Church basement. They will be redoing the old visitor center and opening it back up for business with many improvements. They will also be redoing the replica of Waconda Springs. Americorps kids can help when available and donate if needed.

The next meeting we will have Heather Hartman there to discuss grants and other ideas for projects around Glen Elder. If you have any ideas for projects or things you'd like to see around Glen Elder, please come to the meeting so we can hear your ideas!

Denise motioned to adjourn.
