July 17, 2014 Special

The Glen Elder City Council met in special session on Thursday night at 7:30 p.m., July 17th, 2014 at City Hall, with Mayor Ryan Duskie presiding and council members Sheila Paxson, Lindsey Clark, Larry Wheeler, and Barry McPeak present. Also in attendance: Scot Loyd, Linda Riley, Eldon Behymer, and Jerri Senger.

Annual Budget

Scot Loyd, with Swindoll, Janzen, Hawk & Loyd, explained to the council how the county made errors with the assessed valuations and the neighborhood revitalization rebate figures both for 2014. These errors have had a sizable negative effect on our budget, specifically our General Fund and Library Funds. He figured our 2014 estimated cash flow shortage in the General Fund as $22,265.00 and the Library Fund short $2,093.00. Scot said luckily we have cash balances in our utility funds, but the Library board is not so lucky. He asked the council if they wanted to increase the mill levy to make up for the loss. He stated that we have lost about 6 mills due to the rebate program. Barry said that he does not want to raise the mill levy, but would rather cut back on other things.

The Clerk mentioned that at this time we have $14,000.00 in the General Fund. It was noted that we have budgeted a transfer of $80,000.00 from the Light Fund, if needed. Scot suggested waiting on major transfers and getting council approval on transferring unbudgeted amounts.

Scot will change the Library mill to back to four for the 2015 budget and eliminate the $35,000.00 transfer from the General Fund into the Capital Improvement Fund in 2014 to correct the negative budget amount in 2015.

Scot reminded the clerk that the notice of public hearing needs to be published next week and that hearing will be at the August 4th council meeting.
