

The Glen Elder Community Club Scholarship Fund

The History:

The Glen Elder Community Club scholarship fund was originally established in 1999 through the efforts of our community's special history committee and the subsequent sales of the Glen Elder Family History Book. Memorial donations were also received in honor of Charlie Parker, Gail Weidenhaft and Lyle McPeak, all long-time residents where were much respected in the community. Various other local contributions also support the scholarship.

Glen Elder Community Club is overjoyed to be able to continue this scholarship program. We are so proud of our winners that represent Glen Elder academically and in community service.
